

COVID-19 Testing Explained

BEGIN

Use the chart below to help determine which route you should take to receive COVID-19 testing in Flathead County.

1

Asymptomatic

"I am not feeling any symptoms and I have not been in contact with a positive case. I am curious."

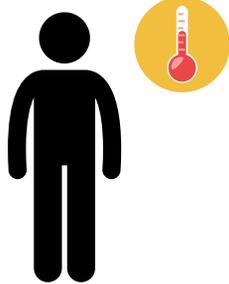

How to receive testing:

Visit an asymptomatic snapshot testing location to receive COVID-19 testing. To find the location of a snapshot testing facility, visit the Flathead Community Health Center Facebook page, or go to flatheadhealth.org/fchc/

Please note, these tests are not diagnostic, and it can take several weeks to receive your results.

2

Symptomatic

"I have symptoms of COVID-19."

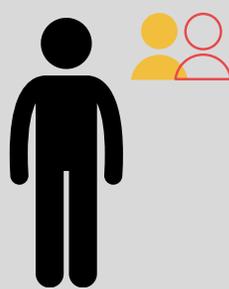

How to receive testing:

Call your healthcare provider, or call the Kalispell Regional Healthcare 24-Hour Line at 406-890-7272. You will be referred to receive testing at one of the four respiratory screening facilities in Flathead County.

Please note, it can take several days to receive your results. Follow instructions given to you by your healthcare provider or KRH.

3

Close Contact

"I received a call from FCCHD and I am a close contact to a positive COVID-19 case."

How to receive testing:

Follow the instructions given to you by the health department. If you become symptomatic, you will be referred to receive testing at one of the four respiratory screening facilities in Flathead County.

Please note, you must continue quarantine protocol even with a negative test result.

All close contacts of COVID19 cases are notified directly. If you did not receive a call from FCCHD, you were not named as a close contact.

4

Traveling

"I am traveling to an area that requires a negative COVID-19 test result to enter."

How to receive testing:

Call your healthcare provider, or call the Kalispell Regional Healthcare 24-Hour Line at 406-890-7272. You will be referred to the proper testing facility.

Please note, individuals must pay a fee to receive a COVID-19 test in this circumstance. Additionally, results are not guaranteed to come back within 72 hours.
