

Essential Workers

When Returning Home After Work:

- Wash hands with soap and water.
- Launder clothing.
- Disinfect personal items (keys, wallet, cell phone, etc.)

Helpful Reminders:

- Stay home and use social distancing strategies as much as possible.
- Wash hands frequently, and disinfect commonly touched surfaces.

CDC Cleaning Recommendations:

- **For soft (porous) surfaces such as carpeted floor and rugs:**
 - Remove visible contamination if present and clean with appropriate cleaners indicated for use on these surfaces.
 - If the items can be laundered, launder items in accordance with the manufacturer's instructions using the warmest appropriate water setting for the items and then dry items completely.
- **For hard (non-porous) surfaces such as plastics, countertops, dashboards, door handles, etc:**
 - Remove if surfaces are dirty, they should be cleaned using a detergent or soap and water prior to disinfection.
 - For disinfection, most common EPA-registered household disinfectants should be effective.
- **For electronics, such as tablets, touch screens, keyboards, key fobs, credit card and ATM machines:**
 - Consider putting a wipeable cover on electronics.
 - Use alcohol-based wipes or sprays containing at least 70% alcohol. Dry surface thoroughly.
- **For clothing and laundry:**
 - Launder items according to the manufacturer's instructions.
 - Use the warmest appropriate water setting and dry items completely.
 - Clean and disinfect clothes hampers according to guidance for surfaces.
